

UNDER TWO CALIFORNIA GOVERNORS

In Case of Economic Emergency

Schwarzenegger

If K-12 schools per-pupil spending falls to 50th in U.S. and teacher layoffs rise¹....

Jerry Brown

Don't panic! Temporary tax increases on wealthy, and local accountability boost support by more than \$3,500 per student

If California credit rating falls to worst in the nation²....

Take action! Paying down \$24 billion in loans and deferred payments and building a rainy day fund brings California credit rating to highest level since 2001⁶

If your state budget is an unprecedented 100-days late³....

Calmly but quickly win the majority-vote budget with Prop. 25 and pass on-time and balanced budgets for four straight years

If your approval rating falls to 30% because of budget cuts and mismanagement⁴....

Deliver for Californians! See your job approval rise to 55% by balancing the budget while increasing health care, the minimum wage, pay for women, and paid family leave⁷

If your state is losing jobs faster than it can add them⁵...

Foster an economic climate that adds more new jobs than under any other California governor in history: two million since 2011⁸
