

John Burton, California Democratic Party Chair
Shawnda Westly, Senior Consultant

We are formally requesting all administrative documents related to the 2017 officer election, including all credentialed ballots, registration sheets, payment receipts, and all other related and pertinent documents be preserved and retained until such time as we have had an opportunity to review them and the current officer election has been resolved. A failure to do so is clear contravention of California Democratic Party by-laws and could put the election certification at risk. It is in the interest of all parties that there is a smooth transition to the next Chair.
